Safety Questions

1. Are the weather conditions OK for play to start?

2. Has all visible debris been removed from the field?

-

-

3. Are all sprinkler covers intact and level with the field?

4. Is the pitch maintained, smooth and excessive water removed?

-

-

5. Are the game format and ground markings aligned with Age and Stage guidelines?

6. Are adequate measures in place to stop balls going out of the grounds at speeds that could harm the general public or damage property?

-

-

7. Are the perimeter signs secured, clean and legible?

-

-

9. Have fixtures been scheduled to minimise overlapping play?

8. Are all boundary markers (lines, ropes, cones, etc) at least three (3) metres from any possible source of harm, such as fencing, concrete, trees, buildings, etc?

-

-

11. Is the right equipment for play provided as per the Age and Stage guidelines and cricket equipment size

guides? E.g. modified ball, bat size, etc.

-

13. Are public areas clean and fit for use, such as seating and walkways?

-

15. Are shaded areas, sunscreen and clean drinking water available for both players and spectators?

-

10. Is player protection equipment clean, maintained and in good working order and are players using the right gear for the position being played, such as helmets, padding, shoes and gloves?

-

12. Are the players' changing rooms and facilities in a clean and safe condition?

-

14. Are first aid kits, qualified people and ice at the ground and accessible?

-

Specific Areas of Concern

List any known areas specific to your grounds that need additional inspections:

Actions
